Dr. Dan Booth Cohen Workshops

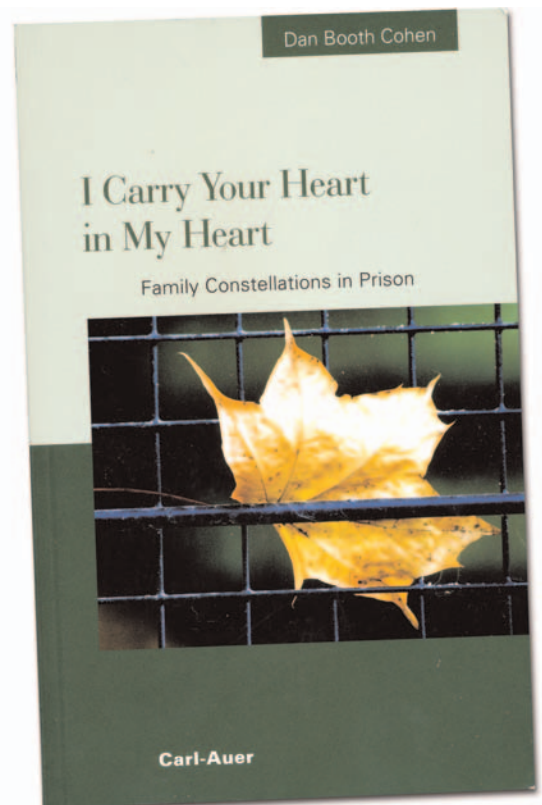

Dan Booth Cohen is a Systemic Constellation facilitator, trainer and author. He holds a Ph.D. in Psychology from Saybrook University. His Ph.D. dissertation in Psychology was based on using Constellations with a group of long-term inmates in Massachusetts prison. This was the basis for his book: *"I Carry Your Heart in My Heart": Family Constellations in Prison*.

His long-standing involvement with conflict resolution, especially German-Jewish-Arab relations, led him to train with Bert Hellinger, Gunthard Weber, Albrecht Mahr, Hunter Beaumont and others starting in 2001. In recent years, he has led group workshops throughout the United States and in Germany, the Netherlands, Norway, Sweden and Scotland.

Dr. Cohen specializes in caring for wounds in deep personal spaces. His imaginative approach often brings in archetypes and mythic characters to stand for members of the family system. These create compelling and deeply moving Constellations.
